

Government Will Use Six Planes For Patrol Work on Hudson Strait

Ottawa. That the Great Canadian Air Force will shortly acquire six Fokker planes from the United States to be used for patrol work on the Hudson Strait, was the report received by Alexander Hamilton, deputy minister of marine and fisheries, in whose department the taking of the planes will be taking place.

The planes will fly from Hamilton, N. B., once after June 1, and will be used for patrol work on the Hudson Strait, which is the most important fishing ground in the world. The planes will be used for patrol work on the Hudson Strait, which is the most important fishing ground in the world. The planes will be used for patrol work on the Hudson Strait, which is the most important fishing ground in the world.
